

# Kits for Kids/ Bedtime Bags

Our *Bedtime Bags* and *Kits for Kids* is a program we provide in conjunction with Building Block for Kids based in O'Neill, NE. We provide a duffel bag and/or backpack for each foster child when needed. We fill the bags with personal care products (like a toothbrush, toothpaste, floss, shampoo and conditioner, body lotion, hand sanitizer to name a few); several changes of clothes (if needed); blanket and stuffed animal; book or video; (age appropriate). Many times these children have no personal belongings when they are placed in foster homes. We are excited to assist these children and their foster families with these items.

Building Blocks for Kids operates in all of our 13-county region and it is a perfect fit to compliment our many projects to assist our communities with 'Resource, Conservation and Development'... the concept of our Loup Basin RC&D Council.

Contact Mary Hughes at Keep Loup Basin Beautiful at 308.346.3393 or email Mary at [mary@keeploupbasinbeautiful.org](mailto:mary@keeploupbasinbeautiful.org) if you have any questions or have any new or gently used items for our project.
